

## Popi Act Privacy Policy

**SASTH** have ensured that all the conditions set out in the Protection of Personal Information Act 4 of 2013 (POPIA) have been implemented. As part of our POPIA system our privacy policy is to inform you we may collect personal data from you when you submit to us via our marketing correspondence such as our website or emails.

In compliance to the provisions of the POPI Act we hereby inform our customers, employees, and the general public that we collect, analyse and store data for our business use, communication, special offers, enquiries, quoting and marketing purposes and the data received is stored according to our strict data protection policies.

In accordance with the Act **SASTH** will not share data and/or information collected with any third party or use the data and/or information for any purpose other than set out above without the written consent of the suppliers thereof.

Any transgression of the ACT comprising the protection of personal data must be brought to managements attention for immediate remedial action, failing which can be escalated to the Regulators Office.
